

“(I) in a clinic, medical office, or hospital by means of in-person administration by the prescribing health care practitioner; and

“(II) not in pharmacies or any setting other than the health care settings described in subclause (I);

“(iv) requires the prescribing health care practitioner to give to the patient documentation on any risk of serious complications associated with use of such abortion drug and receive acknowledgment of such receipt from the patient;

“(v) requires all known adverse events associated with such abortion drug to be reported, excluding any individually identifiable patient information, to the Food and Drug Administration by the—

“(I) manufacturers of such abortion drug; and

“(II) prescribers of such abortion drug; and

“(vi) requires reporting of administration of the abortion drug as required by State law, or in the absence of a State law regarding such reporting, in the same manner as a surgical abortion.

“(3) REPORTING ON ADVERSE EVENTS BY OTHER HEALTH CARE PRACTITIONERS.—The Secretary shall require all other health care practitioners to report to the Food and Drug Administration any adverse events experienced by their patients that are connected to use of an abortion drug, excluding any individually identifiable patient information.

“(4) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to restrict the authority of the Secretary, or of a State, to establish, implement, and enforce requirements and restrictions with respect to abortion drugs under provisions of law other than this section that are in addition to the requirements and restrictions under this section.

“(5) DEFINITIONS.—In this section:

“(A) The term ‘abortion drug’ means any drug, substance, or combination of drugs or substances that is intended for use or that is in fact used (irrespective of how the product is labeled)—

“(i) to intentionally kill the unborn child of a woman known to be pregnant; or

“(ii) to intentionally terminate the pregnancy of a woman known to be pregnant, with an intention other than—
